The diagram illustrates a wellbore section labeled "3396 X 60". It shows a vertical line on the left and a diagonal line representing the wellbore. An arrow points from the vertical line to the wellbore with the label "58° to RW06". The wellbore itself is labeled "0.7% UP" with an arrow indicating the upward deviation. At the top of the wellbore, there is a star symbol and the number "27".
